

## ***BIOGRAPHICAL INFORMATION***

---

### **Kensuke Tanabe**

Manager of Production Group No. 3  
Software Planning Development Department  
Software Planning Development Division  
Nintendo Co., Ltd.  
Kyoto, Japan

Kensuke Tanabe has worked for Nintendo Co., Ltd., since April 1986. Recently he worked on *Metroid Prime Hunters* for Nintendo DS, and *Super Mario Strikers* and *Geist* for Nintendo GameCube. He has worked on numerous Nintendo projects in legendary video game creator Shigeru Miyamoto's group. Some of his past credits include *Metroid Prime*, *Metroid Prime 2 Echoes* and *Eternal Darkness: Sanity's Requiem* for Nintendo GameCube; *Star Wars: Shadows of the Empire* for Nintendo 64; *The Legend of Zelda: A Link to the Past* for the Super Nintendo Entertainment System; and *Super Mario Bros. 2* for the Nintendo Entertainment System.

He was born in Ikeda, Japan, and is a graduate of the Visual Concept Planning Department of Osaka University of Arts.
