Chibi-Robo™: Park Patrol

Format: Nintendo DS™
Launch Date: TBA
ESRB: RP (Rating Pending)
Game Type: Adventure
Players: 1-2
Developer: Skip

KEY INFORMATION

In the last *Chibi-Robo*, our diminutive hero restored happiness to the Sanderson home, but in this DS sequel, he's taking on the great outdoors.

- Playground equipment in the park is disappearing mysteriously and the flowers in the park have been transformed by evil monsters. It's up to Chibi-Robo to save the day and make the park a nice place to visit again.
- This time around, Chibi-Robo gets to flex his mechanical muscles in new and interesting ways. He rides buggies, cars and boats across lawns and ponds, fights mysterious enemies with his trusty squirter, dances in the park to give life to the plants there and builds playground equipment to make the park a better place.
