DKTM : King of Swing DS (temporary name)

Format: Nintendo DSTM
Launch Date: TBA
ESRB: RP (Rating Pending)
Game Type: Action
Players: 1-4 via DS Download Play over DS Local Area Network
Developer: Paon

KEY INFORMATION

Get back into the swing of things as Donkey Kong[®] goes vertical.

- King K. RoolTM is up to no good again, and it's up to Donkey Kong to swing into action. Using the same simple control scheme that made the *DKTM : King of Swing Game Boy[®] Advance SP* game so accessible and fun to play, players of all skill levels can swing and climb to new heights made possible by the dual screens of Nintendo DS.
- Not only does Adventure mode feature Diddy Kong[®] as a sub-character, but players can look forward to new moves, new items and a bunch of mini-games sure to make them go bananas. Not only that, but fun tutorials that ease new players into the game also can be accessed as mini-game challenges.
- If players are more in the mood to rumble, they can take on up to three pals in fun multiplayer challenges using DS Download Play and the DS Local Area Network. They can pick from Donkey Kong, Diddy Kong, Dixie KongTM or Funky KongTM, and let the monkey business begin.
