KEY INFORMATION

Players take their elite strike fighters to the skies and hunt down a mad dictator before he takes over the world.

- As Nintendo's first realistic flight shooter on Nintendo DS, *DS Air* lets players customize their fighters with a state-of-the-art weapon loadout.
- Send wave after wave of enemy fighters to their doom in dogfights over land, sea and air.
- Meet a wingman for co-op play and soar to victory over Nintendo Wi-Fi Connection.

Game storyline: After being driven from his seat of power, a vicious dictator has fled to a remote, mountainous region to plan a military uprising. Mysteriously, the opposing army's forces have received reinforcements, leading to speculation that an unknown nation is lending military assistance to the uprising. An ace pilot in an elite strike-fighter wing has been tasked with crushing the opposition forces and returning peace to the troubled region.
