

NODDY™

Noddy - A Character Children Adore

The graphics and messages in the world of Toyland translate into two unique and wonder-filled games which The Game Factory is proud to bring to the market. Noddy and The Magic Book, is developed for the PS2 platform and is a game full of adventure offering non-violent game-play that teaches life lessons and imparts social values with humor. Noddy – A Day in Toyland, in which Noddy Drives around Toyland helping friends, comes to players on the GBA platform.

NODDY AND THE MAGIC BOOK (PS2)

A revolution in PS2 entertainment, Noddy and the Magic Book offers children both the options playing the game and following along in story-mode while the game-script is narrated to them.

- A full 3D adventure game with exciting arcade style mini games.
- Three levels of difficulty ensure that the game appeals to children of all ages!
- Choose and complete missions in any order they want while interacting with the characters.
- Missions offer a range of different gameplay such as driving a vehicle, piloting a plane, piloting a rocket or mini games played while walking around Toyland.

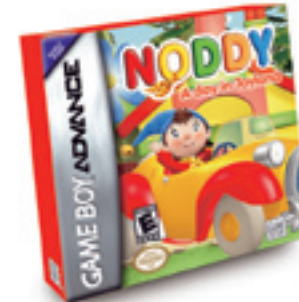

- Step out of game or story mode, and explore the open universe of Toyland.
- Experience the amazingly realistic graphics of Noddy and the cast of characters in Toyland.
